Row 4: p all sts

Ribbing: Switch to size 1 needle, using MC

Row 1: ( k1tb, p1) repete to end.

Repeat this row 14 more times.

Switch back to Size 2 needles, using MC, k 1 round plain.

Start Chart B. Follow the chart for 27 sts, PM, work Chart C, PM, then repeat that same row for the other side of the mitten.

After 19 rows of working both Charts B and C at the same time, you will put 19 sts of the thumb gusset on scrap yarn, and continue with Chart B only, knitting in the round, the chart twice for each round. Leave one marker after 27 sts.

Once you complete Chart B you will put the front 9 sts on one needle and the back 9 sts on another needle and work these closed with a kitchener st.

Thumb: place the 19 sts onto the size 2 dpns. PM. Start Chart D. (Working right to left, pick up 1 sts from the space where the join was made in the mitten.) Continue working in the round until the end of the chart.

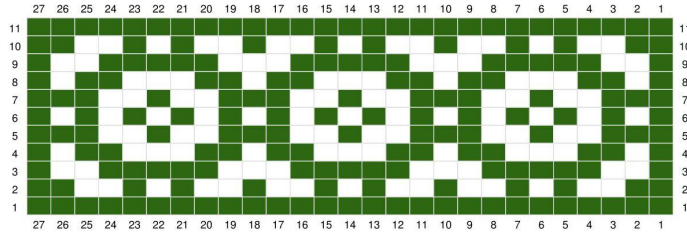

Decrease of thumb: Using MC, K2tog to the end of the row.

Pull the last 10 sts through on a yarn needle and pull yarn to the inside of the thumb.

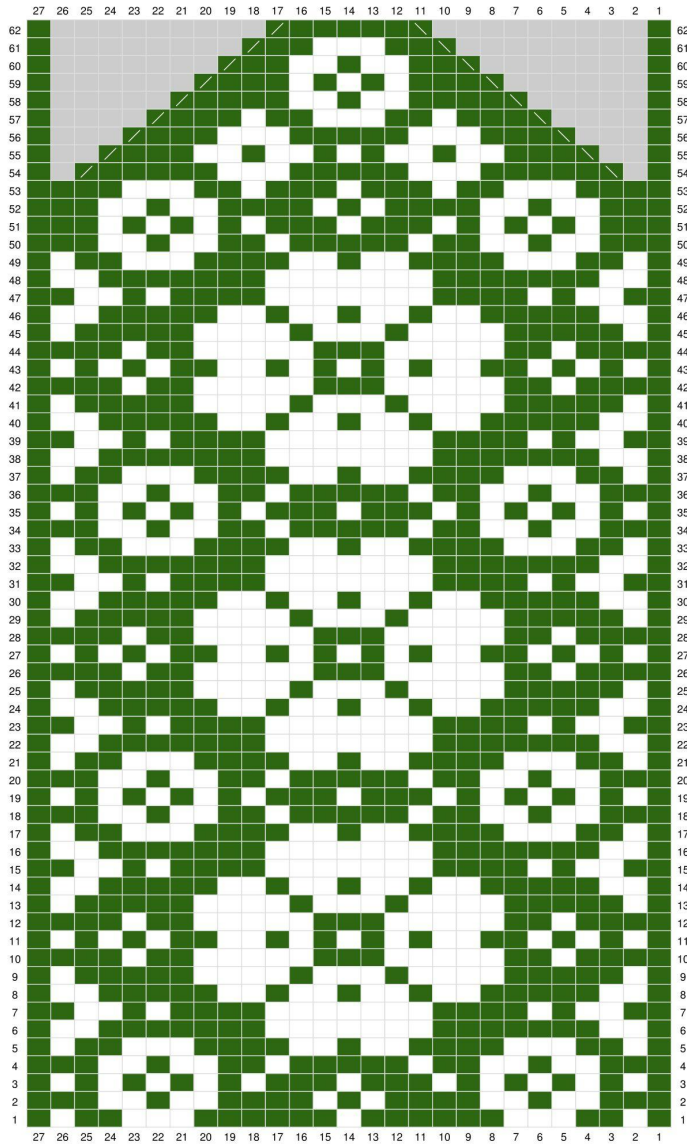

Knit the second mitten the same as the first. Once you have completed both mittens, weave in all the ends and block.
