

# Aluma Hat

---

Aluma Hat will fit a head that is 22-24 inches around.

## Materials

Knit Picks Palette (fingering weight 100% wool yarn)

Autumn Heather	46 yds
Cream	76 yds
Grizzly Heather	25 yds
Coriander Heather	36 yds
Asphalt Heather	36 yds

## Supplies

Size 2 - 16" circular needles, Size 3 - 16" circular needles, and Size 3 dpns.  
Yarn needle. Stitch markers.

**Gauge** with size 3 needles in pattern, in the round: 7 sts per inch.

## Instruction

With Size 2 circular needles and using MC, C.O. 144 sts. PM and join in the round.

Start chart, repeat each row 6 times (144sts) Place markers as needed. Work your way up the chart and once you get to line 11 switch to Size 3 needles. Then use the size 3 dpns when your work does not fit on the circulars. After you finish row 71, cut an 8 inch tail. Using the yarn needle, run the tail through the last 12 sts, tie off and pull tail through to the back of the hat. Weave in all ends. Block on a head form or balloon. If using a balloon, blow it up 1 inch smaller than the head size of the person planning to wear the cap.
